Welcome to The Bold One Patterns!

It's so great to have you here, it's nearly time to get crafting! A Couple of notes first:

- 1) Make sure you read the instructions PDF first, to ensure you get the most out of your patterns, and you don't run into issues. It will be worth it!
- 2) If you can, don't print the instructions PDF and read on your computer instead. That way you can click on the links throughout, and save paper / money!
- 3) Show your make by tagging @theboldone\_ on socials / posting on The tbo FB group. Now go open the instructions!
